

## Laboratory Name : CHEMISTRY

**Laboratory Description :** The lab helps to improve the knowledge of engineering materials, their properties, related application and selection of material for engineering application.

**Faculty In-charge :** Dr. P. B. Sarode

**Lab In-charge :** Dr. P. B. Sarode

**Area of Lab :** 125.60 sq. mt

**Major Equipment's/ Software :**

1. pH Meter
2. Conductivity Meter
3. Oven
4. Muffle Furnace
5. Electronic Balance.
